| CURRENT SITUATION SUMMARY | | | |
| <p>Overnight, the fire grew slightly on the northern portion of the Ranch fire with some active areas experiencing creeping and backing fire behavior. Crews continue to make progress in the northern portion of the fire with mop up and construction of containment lines. Firing operations will continue as weather conditions and fuel moistures allow. On the southern portion of the fire, suppression repair efforts will continue throughout the day.</p> <p>Light winds and smokey conditions are expected to continue today. This afternoon, clearing is expected which will will allow aircraft to have better visibility for fire suppression efforts.</p> <p>The River Fire had no movement. Suppression repair along with patrol will continue on the River Fire.</p> | | | |
